Our principals

One of our core areas of specialisation is in the Oil & Gas sector. We are the Asia Pacific representatives of **Solomon Associates Inc., USA.**

Solomon Associates is a world leader in providing benchmarking services to companies operating in the Energy Sector.

Besides having established a wide network of contacts as a result of promoting Solomon's services in the energy sector, Felicitas Global

has organised several training programmes for Oil & Gas professionals in Asia in all areas including:

- Drilling
- Reservoir management
- Well completions
- Horizontal high pressure drilling
- Refinery economics
- Reliability & maintenance
- Asset management

- Veronafiere is one of Italy's largest trade fair organisers with internationally acclaimed fairs.
- Felicitas Global Pte Ltd is the Asia representative of Veronafiere – organizing and managing trade delegations from Southeast Asia, South Korea, Hong Kong, and Taiwan to visit their exhibitions in Italy and participate in B2B meetings.

Our Team

Radhika Ganapathy Ojha – President

With an industry experience of over 30 years, Radhika Ganapathy Ojha is the founder of Felicitas Global Pte Ltd. She has worked for more than 20 years with the Italian Trade Commission in India & Singapore as well as with an American multinational company. She speaks fluent English, Hindi, Tamil & Italian and has a wide range of marketing experience in different industries.

Judy Ong - Senior Business Development Manager

Judy Ong is one of the pioneers of the organization. As the senior manager, she is responsible for the business development of HSB Solomon Associate LLC (Solomon) for Asia Pacific covering the oil and gas industry from upstream production, midstream pipelines and terminals to downstream chemical manufacturing.

M Ravichandran – Account Manager, HSC Solomon Associate LLC

Ravi is working with Felicitas Global in software development, installation, training and business development of Solomon. He is Solomon's account manager for projects across the globe in oil and gas industries. He is an experienced chemical process engineer with over twenty-five years of experience in oil and gas and petrochemical industries.

Airene B. Sarmiento - Senior Project Manager

Airene Sarmiento has been a part of the organisation since its inception. Heading the Market Development team, her role covers the entire spectrum ranging from business development, client relationship management to project management.

Smita Jain - Project Manager

Smita Jain is responsible for project implementation and coordination. Working closely with Airene, she plans and coordinates different aspects of marketing including liaising with clients, suppliers and vendors.
